Appeal Data: Typically, the GCAD will process approximately 54,000 appeals. This includes informal meetings and ARB proceedings. There were 53,386 appeals for 2020. 43,414 appeals were resolved during the informal appeal process. 9,972 unresolved protests were scheduled for the Appraisal Review Board. Of those that were scheduled to the ARB, 7,659 were reduced. Ninety-five percent of the protested accounts were resolved on July 24, 2020 and the GCAD Appraisal Records were certified on that date.

Ratio Study Analysis: A ratio study is designed to evaluate appraisal performance through a comparison of appraised or assessed values for tax purposes with estimates of market value based on sales prices, and tested by measures of central tendency. The Galveston Central Appraisal District will adhere to the IAAO Standards on ratio studies. Those statistics include current measures of Central Tendency by CAD and Measures of Dispersion as required by law.

New Construction: Building Permits are gathered from Galveston County and all of the cities located in the appraisal district. Data collection in the field requires preparation of maps, computer generated appraisal cards, and coordination of appropriate staff members to begin the process. Properties are grouped in type, location, and neighborhood prior to the start of the fieldwork. This process requires coordination and supervision during all phases. Fieldwork is distributed to appraisers based on property type and location. Often, field appraisers are trained in the techniques of listing, measuring, classifying, and appraising of property.

Depreciation is also considered during the field inspection phase of the appraisal process. A breakdown of New Construction totals for 2020 can be found on the Effective Tax Rate Report.

Further Information: For further information describing increased efficiencies in the operations achievement of higher degrees of professionalism, and a complete listing of the standards and policies adopted in the valuation and administrative process please refer to the GCAD 2020-2021 Reappraisal Plan.
