Residential Appraiser

Seeking a self-starter to perform field and office work associated with the appraisal of residential real property using cost or market methods. Responsibilities include inspecting properties, verifying property characteristics, analyzing sales data, and maintaining accurate appraisal records. Property appraisal experience is preferred. Proficiency in Microsoft Excel and other Microsoft Office applications, along with strong written and verbal communication skills, is required. Must have reliable transportation, a valid driver’s license, and current automobile insurance. Must be eligible to register with the Texas Department of Licensing and Regulation (TDLR).
